

DECLARATION OF PERMISSION TO USE VIDEO FOOTAGE

IMPORTANT: PLEASE READ:

In order to safeguard the privacy and well-being of people who have volunteered to appear in videos which may be shown in public in The Love Foundation's 'Love Begins With Me' film documentary, it is necessary to obtain those people's permission that the video footage may be used.

This is not necessary for people who also appear, by chance, in scenes video-recorded in places where the general public may be seen such as the street, parks and other open spaces, and indoor places where any necessary authority to use a video-recorder has been obtained.

This permission will also safeguard The Love Foundation's ability to use the video footage supplied to them.

Once given, permissions cannot be cancelled. It is therefore important that people are informed about the nature of the film and are given every opportunity to assure themselves that The Love Foundation will make only proper use of any video footage in which they appear.

The Love Foundation guarantees that video footage submitted for possible inclusion in the 'Love Begins With Me' film will only be used in connection with that purpose, none other.

Please note that your video(s) will not be used if the appropriate permissions have not been obtained.

PLEASE ASK ALL PERSONS WHO APPEAR IN YOUR VIDEO(S) TO SIGN THIS FORM IF THEY ACCEPT THE TERMS OF THIS STATEMENT BELOW:

**By submitting your video, and/or appearing in the video being submitted, you are agreeing that you understand the above guidelines, and that you grant The Love Foundation, Inc. the opportunity and right to display and use all or any of the video in which you appear for inclusion in The Love Foundation's 'Love Begins With Me' film, which may be shown in public on the internet and elsewhere, and that you agree to hold harmless and release The Love Foundation, Inc., Officers, Board of Directors, Volunteers and all others associated with this 'Love Begins With Me' film for any and all liabilities, claims or expenses associated with you appearing in this film.**

Please write your name; please sign your usual signature; please write the date when you signed.
